## The Update You've Been Waiting For!

As you all know, we've been working extremely hard renovating the restaurant and lounge, and we're excited to show off our progress! A huge thank you to the contractors and community that have helped us during this renovation.

At this point, we aim for the lounge and restaurant to be open by February 14th. Both the lounge and restaurant will have a limited menu until summer. We will be open 5 days a week, closed Mondays and

Tuesdays. The lounge will be open from 3pm - 9pm; restaurant open from 5pm - 9pm.

We will be prepared to take reservations for the dining room February 2nd; no reservations required in the lounge. Call 209-258-8888 for reservations.

After giving the space a massive face lift, we can't wait to enjoy a beer or glass of wine with you in front of the lounge's beautiful hearth!
