## KMPUD Winter Preparations

Fall is in the air and now is the time to get your house ready for winter before the snow flies. Below are some other important items which may need to be on your winter prep check list.

- Know where your water shut-off is and ensure that it is accessible.
- Give your heating system a test run so you know it will work properly when you need it.
- Replace the filter on your furnace.
- Make sure chimneys and fireplaces are cleaned.
- Replace batteries in smoke and carbon monoxide detectors.
- Buy and Extra Snow Shovel & put it in an accessible place
